

A semi-transparent background image shows a woman with dark hair tied back, looking thoughtfully towards the right. She is positioned in front of a blurred city skyline, likely New York City, with prominent skyscrapers like the Empire State Building visible.

**COFACE ANMOPYC**  
**04 de Julio de 2013**

A decorative graphic element in the bottom-left corner consists of a white triangular shape containing a pattern of fine green diagonal lines. Below this is a solid dark blue triangle pointing upwards, partially overlapping the white triangle.

# Riesgo País de acuerdo con Coface

- Country assessment
  - Assesses the average risk of payment defaults by companies in a given country
  - This evaluation combines economic and political prospects of the country, Coface payment experience and business climate assessment
  - This evaluation has 7 grades: A1, A2, A3, A4, B, C, D and can be watch listed
- Business climate assessment
  - Assesses overall business environment and more precisely whether corporate information is available and reliable and whether the legal system provides fair and efficient creditor protection.
  - This evaluation has 7 grades: A1, A2, A3, A4, B, C, D and can be watch listed.
